

Hello Mr. BLA,

I got your reminder from 4th. of February 2021 and I would like to say that we are verry sorry for that.

Some of our customers did not pay until yesterday which is, why we transferred 15.000 € that day. What is left of the total price won't be payed the next 4 weeks because weunfortunaly have no money at all.

I hope you can understand our situation and you give us those 4 weeks for payment. If so we could also pay you an interest of 4%.

With kind regards,

Ich halt
